

Explore the Penistone Line and find stunning countryside, woodland walks, viaducts, and beautiful landscapes with far-reaching views. City, town or village, we encourage you to consider the benefits of a day out by train. A greener, healthier, and more social form of travel.

## SCENIC WALKING & CYCLING

We have dedicated, passionate Guided Walks leaders, who provide a walks programme from stations along the line. They have a wealth of experience and knowledge of enjoyable trails which can be explored around the Penistone Line and beyond.

If you prefer a self-guided walk then visit our website, where we have links to many trails accessible from the Penistone Line in Kirklees, Barnsley, and North Sheffield. Follow routes such as The Five Weirs Walk near Meadowhall, the Holme Valley Circular, or those from the many 'Walkers are Welcome' routes directly from the station around beautiful areas such as Denby Dale.

The Trans Pennine Trail is a national coast to coast route for walkers, cyclists and (in some places) horse riders, and links the North and Irish seas. It forms part of the European walking route E8. Cyclists can join the National Cycle network on route 627 from Stockmoor and Shepley stations. There is access to the Trans Pennine Trail directly behind Penistone Station.

## GET INVOLVED WITH COMMUNITY RAIL

**Penistone Line Partnership was the first Community Rail Partnership to be set up in Britain.**

The Community Rail Network has grown to include 100's of partnerships, voluntary station friends and adoption groups who ensure the station is a welcoming safe hub for the community. Partnerships work with train operators, local and national partners. They play an important role in community wellbeing, social inclusion, local economic development, and promotion of rail, as a key part of sustainable healthy travel.

There is no paid membership needed to join us. If you would like to help communities get the most out of their local station, consider becoming a committee member. If you love gardening, helping host events, or are creative, and you have time to volunteer please contact us on 07912 753817 to find out more or scan the QR code below.

# EXPLORE THE PENISTONE LINE

So much to see and do for everyone!

There are so many things to do, we have narrowed down the places to explore along the Penistone Line, that are no more than a mile from the nearest train station (with only a few exceptions).

## Doorstep Discovery

Penistone is the highest market town in the county and one of the best-kept secrets in South Yorkshire. Penistone deserves close investigation to reveal its hidden treasures, such as the Penistone Paramount. A go-to for cinema and live events. It is home to a shining example of a by-gone era. Leading organists perform regular concerts on the Art Deco feat of musical engineering, the Compton Organ in the elegant vintage auditorium.
