4. Accounts End of Year

Accounts to date where presented, it was expected that the Northern funding would be slightly delayed and this was indeed the case, all other aspects of the accounts were as expected. **Action BB**

5. AGM BB reminded the meeting we still need to hold an AGM and that he would investigate holding an event in the summer at KLR or similar. **Action BB**

6. Northern Consultation Northern Rail has issued a consultation to CRP's on the social engagement strategy which covers future funding etc. The seven questions previously circulated where discussed and a broad outline of comments back would be sent to board member once drafted. **Action RC**

7. Website update

It had been agreed that the website quote from Go Web Design. SW reported that she had started work collecting content, **Action SW** to share content so far for board member's comments/view.

8. Future promotion and marketing strategy the marketing strategy moving forward was discussed, any discussion and plans are somewhat held back by the lack of clarity on when normal travel might be allowed. Northern where holding a marketing catch up for CRPs in the next few weeks where more information might be available. The virtual CRiC was still planned for 30th June 21 but was like to change.
