

Penistone Line Partnership

RAIL SAFETY EDUCATION

Early Years, KS1, KS2 & SEN

'Rowena at Penistone Line Partnership has increased the knowledge and understanding of many children from school about how to keep safe near railways.

This is especially important to our school community as many children live close to local railway stations on the Penistone Line.

Rowena has supported some of our most vulnerable children at various key stages with creative and engaging arts-based activities, which all our children have loved taking part in'.

V Pimm, Deputy Head
South Crosland C.E.(A) Junior School

To arrange your free session in school or online, contact Rowena at penistoneline@gmail.com or ring 07912 753817
